Construction Health and Safety (CHS) Department

2018 MBA North Regional Safety Competition

1. Objective

Provides a platform from which companies may bench mark their HSE management systems and implementation against other companies in our region and nationally.

By participating in the competition, the company verifies their compliance with relevant legislation and best practices in the industry.

2. Criteria

- Only registered members of MBA North and policy holders of the Federated Employer's Mutual Assurance (FEM) company may be entered into the competition.
- The sites/yards should be at least 20% past start up and not past 20% from completion at the time of judging.
- Sites/yards may be entered for the competition from 26 March 2018 until 30 April 2018.
- Competition judging/audits will be conducted by the MBA North Auditors.
- Upon receipt of an entry the auditor will arrange with the applicant for a suitable date and time for the audit to be conducted
- Competition results will be published by MBA North during July 2018.
- Category winners are automatically entered into the National competition.

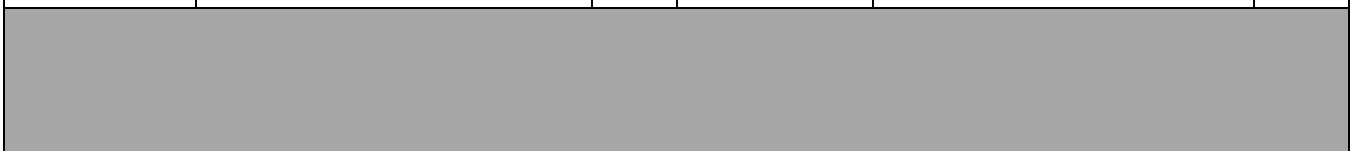

2.1 Sub-Contractor Category:

Sub- Contractors are encouraged to enter into the Annual Safety Competition under the following categories:

- Small to Medium - With Site Establishment
- Small to Medium – Without Site Establishment

3. Categories:

CATEGORY	CONTRACT VALUE	✓	CATEGORY	CONTRACT VALUE	✓
A	Plant & Storage Yard		E	R40m to R100m	
B1	Allied Trades		F	R100m to R250m	
B2	Manufacturers		G	R250m to R450m	
C	Less than R15m		H	R450m to R750m	
D	R15m to R40m		I	R750m plus

4. Competition Judging/Audits

The Master Builders South Africa (MBSA) Occupational Health & Safety Audit System and Star Grading Programme audit is used to perform the audit. All relevant elements will be assessed.

Essential requirements for Regional and National audits

Items that require 100% compliance before an audit can take place on a site:

- Valid letter of good standing in respect of workman's compensation.
- Principal Contractors Health and Safety Plan.
- A site-specific risk assessment which must include the following: safe work procedures, a monitoring plan and a review plan.
- Disabling Injury Frequency Rate (DIFR).
- Construction Work Permit available where required in terms of the OHS Act

5. Competition results

The results will be published by the Master Builders Association North (MBA North).

6. Awards Ceremony

An awards ceremony will be held on 18 July 2018, location is to be advised.

7. Entry form

The completed entry form should be submitted as soon as possible to enable the judging team to structure a program of site visits

Please be so kind as to submit all fully completed entry forms to Kitu at the following address:

kitu@mbanorth.co.za.

Should you require any further information please do not hesitate to contact **Kitu** on (011) 805 6611.
